to ever take place on this planet?

The Daily Planet's Message

Family is Father God's masterpiece, the Father, the Son, and the Holy Spirit.

When you pray you are talking to your Heavenly Father.

When you read the Holy Bible for yourself, your Heavenly Father is talking to you.

The American Bible Society has the Holy Bible in more than 40 different languages. **Ask for a free catalog,** the Holy Bible comes in many fonts and many sizes.

Now you can read the Holy Bible for yourselves in your own native tounge.

All human life is precious. I've learned about your organized religion now hear about **Faith**. No outsiders, no infidels, no gentiles, etc., just people, and the Living God loves **you** more than life itself!

The Living God teaches "Love **The Father** above all others, love all others as you love yourself and love family even more". With His blood He changed a symbol of death, **the Cross**, into the symbol of **eternal life**.

We are all God's children.

Now Diciple means: Only learn about the Kingdom of **Heaven** by the power of the **Holy Spirit**.

The Holy Bible is alive. When you read it for yourself with no human intervention your Holy Gospel will become your own version of **God's Word** like nobody else's version on **Earth**.

People of all religions believe in the Holy Spirit of God so let the Holy Spirit be your Teacher and show you **The Way**. The New Testament (The Holy Gospel) is **The Way**, the **Truth**, and the **Life** written by the power of the Holy Spirit.

**Hear all others including myself but, listen only to the Holy Spirit of God.
Some things we believe to be true are not
and some things we don't believe to be true are.**

*"**Just Ask**, search, knock and the power of the Holy Spirit will come over you to teach you, to comfort you, to encourage you, to defend you, to Baptize you."*

Read the most important devine message in the world (**the Holy Gospel**) for yourself and listen only to what The Holy Spirit teaches you.

People of the World. Your Church, your Temple, your Mosque, your tavern, etc. is your fellowship, your community. **But the Holy Bible (Gospel) is your salvation.** Pray by the power of the Holy Spirit, begin each prayer by the power of the Holy Spirit, and continue to pray for wisdom as you read God's Word for yourself.

Don't read any other book about the Holy Bible, read only the Holy Bible itself and continue praying for wisdom as you do.

Don't take anybody else's word for it **just take God's word for it.**

God's Word is the spiritual food we need each day. Read the Holy Gospel for yourself and digest the power of the Holy Spirit into your mind and into your heart forever.

Be sure that the adolescent children in your family read the **Holy Gospel** cover to cover **in its proper context** for themselves before being exposed to the wrong teachings of the world.

The only way to the Father is through the Son and the Son is the Gospel (The Good News),
He is Risen!

No solicitation ever, no donations ever wanted!

Understanding the Hebrew, Jewish, Christian Holy Bible... The Hebrew message (parable) is Genesis (**Abraham's faith**, Ismael, Isaac, Jacob). The Jewish message is (**The Shadow of Christ**), Exodus to Moses to Malakai. The Good News (The Holy Gospel) is Matthew, Mark, Luke and John to Jude and Revelation. First read The Holy Gospel (The Way, The Truth, and The Life) then by the power of the Holy Spirit from within read Adam to Abraham to Moses to Malakai to Almighty God, your heavenly Father.

*My prayer... By the power of The Holy Spirit, Christ Jesus Immanuel,
The Chosen One who saves is with us forever and ever, Amen.*

Remember, when you do read God's word pray for wisdom by the power of the Holy Spirit.

"Enjoy Life"

The Gift

"Imagine life is like spiritually juggling work, family and friends. You will soon realize work is rubber. Drop it and it will bounce right back," "But the other three - Spirit, family, and friends - are glass. If you drop one of these, they will be irrevocably scuffed, marked, nicked, damaged, or even shattered. they will never be the same."

• Don't give the Devil an inch, he'll be your ruler.

- Don't undermine your worth by comparing yourself with others. It is because we are different that each of us is special.*
- Don't set your goals by what other people deem important. Only you know what is best for you.*
- Don't take for granted the things closest to your heart. Cling to them as you would life, for without them, life is meaningless.*
- Don't let your life slip through your fingers by living in the past or the future. By living your life one day at a time, you live "ALL" the days of your life.*
- Don't give up when you still have something to give. Nothing is really over until the moment you stop trying.*
- Don't be afraid to admit that you are less than perfect. It is this fragile thread that binds us to each other.*
- Don't be afraid to encounter risks. It is by taking chances that we learn to be brave.*
- Don't shut love out of your life by saying it is impossible to find. The quickest way to lose love is not to believe and the best way to find love is through the spirit.*
- Don't run through life so fast that you forget not only where you have been, but also where you are going.*
- Don't forget a person's greatest emotional need is to feel appreciated.*
- Don't be afraid to learn. To Enjoy Life completely, people need The Gospel, every word that God has spoken. Knowledge is weightless, a treasure you can always easily carry.*
- Don't use time or words carelessly, neither can be retrieved.*

"Life is not a race, but a journey to be savored each step of the way."

"Yesterday is history. Tomorrow is a mystery and Today is God's gift. That's why we call it

The Present."

What we do here on earth will be your eternity.

Love God above all others, love all others as you love yourself, and love family even more.

Family is God's Masterpiece

To be sure of marriage, read the Gospel of Jesus together before you marry and you will

Enjoy Life to it's fullest for eternity.
